

## MISCHIEF MANAGEMENT POSTPONES 2020 EVENTS, ANNOUNCES NEW DATES FOR 2021

**NEW YORK (June 5, 2020)** – Due to the COVID-19 pandemic, Mischief Management has secured new dates for all its 2020 events — Con of Thrones, LeakyCon Orlando, PodcastCon, and LeakyCon Denver — while keeping the events in the same host cities as previously announced. Mischief looks forward to celebrating together with all of our attendees and guests in a safe and exciting way in 2021.

“Normally, we would be moving our events to different cities each year. Instead, we have worked with local venues to assure the events we promised can still take place,” says Melissa Anelli, CEO of Mischief Management. “With more time to properly develop these events we are looking forward to an incredible 2021. Our entire community has been expressing such kindness and patience during this unprecedented time, and we thank them and can’t wait to see them again.”

Each event’s rescheduled dates are as follows:

- **Con of Thrones** will now take place **August 6-8, 2021**, at the Hyatt Regency Orlando. For more information, please visit [conofthrones.net](http://conofthrones.net).

Tickets purchased for 2020 events will be automatically honored for 2021 events. Ticket holders also have the option of transferring to a corresponding 2022 event. Those who retain their tickets will receive additional benefits and discounts throughout the coming year.

We are working to ensure that any currently announced guests will be in attendance at the new event dates. In the event that a guest is unable to attend, attendees who have purchased add-on experiences with the guests will be contacted directly with more information regarding refunds for those add-ons.

Requests for refunds will be accepted through Friday, June 19, 2020.
